

Minecraft Throw

What you need:

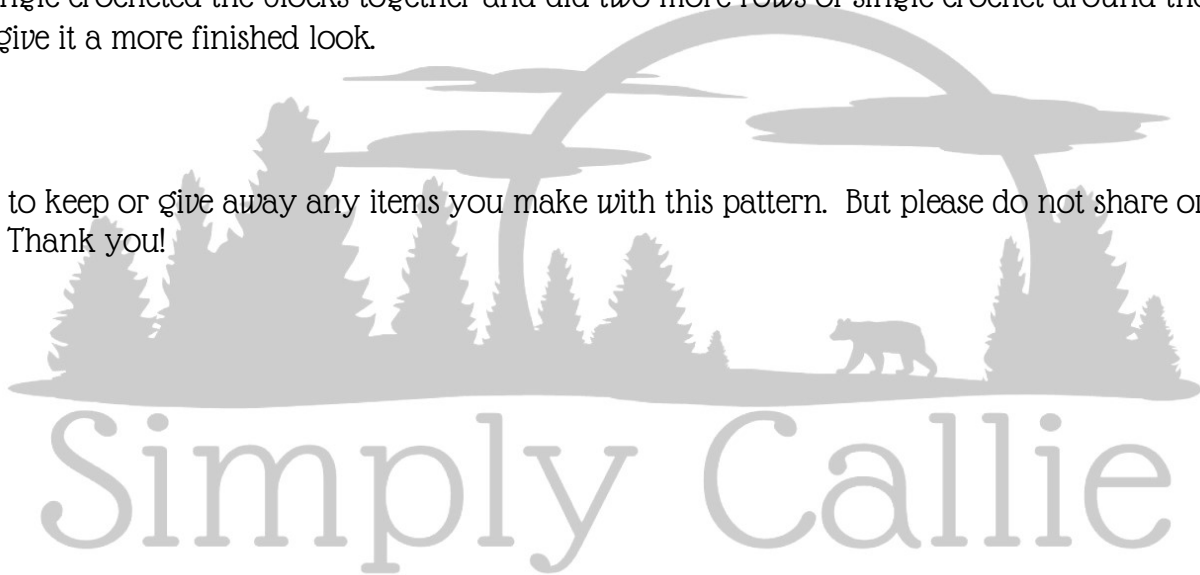

- Worsted weight yarn
- 5.0 mm Hook
- Yarn bobbins optional but very helpful
- Yarn needle used for weaving in ends
- Scissors

Size: Each block is approximately 12" x 12"

I single crocheted two rows around each block, adding two extra stitches in each corner on round two. Then I single crocheted the blocks together and did two more rows of single crochet around the outer edge to give it a more finished look.
